October 2009

Muriel Martin Fundraising Society

Who We Are

The Muriel Martin Fundraising Society is a non-profit society that raises funds to enhance learning opportunities within our school. All parents of students attending Muriel Martin Elementary School are voting members of the Society.

What We Do

The Fundraising Society coordinates school and community fundraising activities and grant applications that generate funds to support programs and initiatives intended to enhance learning opportunities for students. As well, the Fundraising Society provides services such as the hot lunch program and funds school community events such as the Family Dance and the Year End Barbeque.

Last year the funds raised by our students were directed to the climbing wall expansion, library shelves and reading rug, dishwasher for the kinder kitchen, African drums for the music program, learning and tables and benches outside the school. Funds are disbursed within the school year in which they are raised. (see pictures on back)

We have committed this year's fundraising efforts to the creation of an outdoor classroom.

Friendly Reminders

**Magazine/LaMontagne
Orders are due October 16**

**Next meeting is October 14
7 pm in the Staff Room**

Everyone is encouraged to attend.
Please join us to share your thoughts and vision for our school.

Hot Lunch

Thank you for your Hot Lunch orders. If you haven't placed your order but would still like to, please send in your order to the office!

Due to the large amount of "special orders" for subs, we have decided to have the subs made without mayonnaise; however, mayo and mustard packets will be made available. We will also ask Mr. Sub to be "light" on the lettuce and ask those students that do not want the lettuce or cheese to take it out. Unfortunately, Mr. Sub will not add anything extra to the subs, so if your child had asked for extras to be added to the subs, please send them along with your child on sub days. Our apologies for the inconvenience, but please remember that over 300 students placed orders for subs and to accommodate everyone's wishes is very difficult.

Hamburgers and cheeseburgers ordered from Dairy Queen are made without mustard and ketchup. Packets of ketchup, mustard and dipping sauces for the chicken will be available in the classroom.

If you have any comments and suggestions for future orders, please send them to:

mmhotlunch@gmail.com
